### Sanuk's Story

Sanuk is a special little ferret who lives with his mom, Marnie Shagunn in North Dakota. Sanuk is 2 years old and came from Raven's Magickal Ferretry. Marnie has had ferrets for 26 years and creates wonderful cards and gifts featuring ferrets. She recently told us a wonderful story about Sanuk, sharing, "Sanuk just knows when Daddy [Rob Bechhold] is leaving for work, so he will follow Daddy around until Daddy picks him up. Sanuk then refuses to be down until Daddy brings him to me in bed so he can leave for work. Poor Daddy has to get ready one handed with a furbaby in the other! So, this morning, Rob sends me a photo with a caption that says, 'Look what I found!'" Sanuk decided that he had to put one of his toys in Daddy's bag in case he felt lonely when he is away from us. It was neatly tucked in his clothes. That is SO stinking cute!!"
